

CORPORATE MATCH FAQS

Many companies support corporate matching for donations made for K-12 educational purposes. We recommend parents ask their HR department for more information about their company's corporate match policies. Below are some frequently asked questions.

What is corporate matching?

Many companies match contributions to non-profit US based 501(c)(3) organizations. This can instantly double the money you donate to the organization.

What is the process for corporate matching?

Each company has a different process for employer match. Please ask your HR/Benefits department. A partial list of companies that match is listed here. (link to page of companies)

In general, the steps to process corporate matching are:

1. Check to see if your company participates.
2. Many companies use a third party. You may be required to make your contribution through the designated website. Be sure to have your company's unique URL in order to log-in.
3. Search for Deer Creek Elementary PTA in the organization listing. If DCE PTA is not listed, our organization will need to be added. Information is listed below to assist with this process.
4. If your company requires hardcopy paperwork to be turned in, please complete the paperwork and return by mail to DCE PTA at the address listed below.
5. Let us know a contribution was made by sending us a copy of your receipt.

My company offers corporate match but Deer Creek Elementary PTA is not listed?

Adding DCE PTA to the list of organizations eligible for corporate match is usually a quick and easy process. You will need the following information:

Deer Creek Elementary PTA (DCE PTA)
2420 Zeppelin Dr.
Cedar Park, TX 78613
EIN 42-1631578

When should I apply for corporate match?

When a contribution is made to support the during the Write-A-Check Fundraiser, you should apply. Some companies distribute funds right away, while others process them on a quarterly or semi-annual basis. Verify with your HR/Benefits department whether there are strict guidelines for applying for corporate matching.
